We can supply nearly all the above varieties of Flowering Quinces in standard forms. Cost of standards are \$2.00 and \$2.50 each, according to size of heads, except where noted, which are very new varieties and these are listed at \$3.50 each.

PHILADELPHUS—The Mock Oranges

We offer a fine collection.

The following Philadelphus plants are fine bushy plants in the field.

Prices are 75c each, except where noted.

ALBATRE. Large, single white, low bushy.
ATLAS. Large, semi-double white, tall grower.
AVALANCHE. A dwarf grower, with graceful arching branches.
BANNIERE. Early bloomer, with semi-double white flowers.

PHILADELPHUS, Continued

BOUQUET BLANC. Low, dense habit and a very heavy bloomer.	Each
BELLE ETOILE. One of the finest of mock-oranges. \$1.00 each.	
BRACHYBOTRYS. Bushy growth and many white flowers.	
COLE'S GLORIOUS. A good variety with many white flowers. \$1.00 each.	
DELAVAYI. Showers of white flowers and a low grower. \$1.00 each.	
CORONARIUS. Graceful habit, tall grower. A good bloomer.	
ENCHANTMENT. Double white flowers in thick panicles.	
FALCONERI. Star shaped flowers and graceful arching branches.	
GIRONDALE. Strikingly handsome, profuse bloomer.	
INNOCENSE. Large flowering and very profuse. Striking. \$1.00 each.	
INODOROUS. Fine white and heavy bloomer.	
LAXUS. Dwarf drooping habit of growth.	
LEMOINE. Very fragrant flowers, compact growth.	
LEWISI. Large, single white.	
MAXIMUS. Large white flowers, very upright growth.	
NIVALIS. Very profuse flowering variety. It is lovely.	
PYRAMIDALE. Tall upright grower, with fine white flowers.	
PUBESCENS. Clusters of 6 to 8 flowers with arching stems.	
PURPURESCENS. Pure white petals with purple calyx.	
SERICANTHUS. Bushy grower with arching branches of white flowers.	
VERRUCULOSUS. Small leaf variety with fine white flowers.	
VOIE LACTEE. Large single white flowers. Very fine.	

WEIGELAS

Weigelas should be planted where they can develop into fine specimens. They are a grand sight when in flower in late spring, producing showers of rich colored flowers all along the entire branches. There are many lovely rare varieties of Weigelas, and following is a list of those that we can supply now in fine field plants.

Prices of Weigelas are 75 cents each for bushy field grown plants.

AMABILIS. Fine pale pink.

CANDIDA. A very good white.

FLORIBUNDA. Good crimson.

FEERIE. Fine rose-pink.

CONQUERANT. Pleasing red.

DESBOISE. Lovely rose-pink.

EVA RATHKE. Deep red, blooms off and on all summer.

GIRONDIN. Cherry-red.

GUSTAV MALLOT. Rose-red.

HENDERSONI. Good deep rose-pink.

PROFUSION. Heavy bloomer and a good deep pink.

RICHESSSE. Lovely rose-soft-pink.

ROSEA. Light pink.

PAEONIA MOUTAN—Tree Peonies

Tree Peonies are shrubs that retain their growth of stems and wood. While they are slow growers, as they develop their growth, they increase in number of flowers which are beautiful. The flowers, which are usually large, are rich shades ranging pink to shell-pink, red to violet. Plants in age up to about six years are usually shy of blossom, but from that age on, each year the number of blossoms increase in number.

BEAUTY OF TOKIO. Beautiful single violet flowers. 10-12 year plants \$12.50 each

JEANNE D'ARC. Double rose-pink flowers. 10-12 year plants \$8.50 each.

JOSEPHINE SENECLAUSE. Double rose-pink, very full flowers. 10-12 year plants \$8.50 each.

MRS. STUART LOWE. Deep rose-pink double flowers. 10-12 year plants \$8.50 each.

REGINA BELGICA. Rose-red, opening deep pink. 10-12 year plants \$8.50 each.

SOUV. DE MAXIME CORNU. Yellow flowers splashed with markings of red. 10-12 year plants \$12.50 each.

ZENOBIA. Beautiful double purple flowers. 10-12 year plants \$12.50 each.

Unnamed Tree Peonies grown from seeds 3-5 year plants from buds, sizes \$2.00, \$2.50, \$3.00 and \$3.50 each, according to size.

CORYLOPSIS SINENSIS (Winterhazel). The attractive shrub is rare, yet it should be known and planted in our gardens. It blooms in very early spring, often when the snow is still on the ground. The flowers are yellow, attractive and very fragrant. 18-24 inch plants, \$1.50 each, 24-30 in. plants \$2.00.

PAEONIA

Single Flowering Varieties

Large exquisite flowers in shades of white, pink and red. They remind one of large Anemones and most of them have a golden crown of staminodes with a single row of petals. They are beautiful.

LE JOUR. Very fine white and a profuse bloomer. 3-5 eye plants \$1.50, large clumps \$4.00.

MISCHIEF. Rose-pink, late flowering. 3-5 eye plants \$1.50, large clumps \$4.00.

ISANI-GIDUL. Two rows of pure white petals. One of the finest. 3-5 eye plants \$3.00, large clumps \$6.00.

MIKADO. Dull crimson, center staminodes stained dark rose-red, edged and tipped pale buff yellow. 3-5 eye plants \$1.50, large clumps \$3.00.

FUYAJO. Dark maroon to dull red. 3-5 eye plants \$1.50.

Single Peonies, mixed varieties and colors, in pots, fine plants 75 cents each.

STEWARTIAS

Handsome flowering trees for the lawn. Some grow even as tall as 80 ft. They flower during the mid-summer and the flowers look very much like single Camellias.

MONADELPHIA. Flowers one and one-half inches across, creamy-white with violet anthers. Will grow to 80 ft. tall. 12-18 in. plants 75c, 18-24 in. plants \$1.00, 2-3 ft. plants \$1.50.

PENTAGYNA (Mountain Stewartia). Foliage very brilliant in autumn. Beautiful creamy-white flowers. 12-18 in. plants \$1.00, 18-24 in. plants \$1.50, 2-3 ft. plants \$2.00.

PSEUDO-CAMELLIA. Small tree with showy white flowers, cup-shaped. The bright green foliage turns orange to scarlet in fall. 6-7 ft. plants \$5.00.

LILACS—Hybrids

Following is a list of Lilacs, taking in a number of newer varieties, which we are able to supply, at least a few of each. There are some very fine Lilacs in this group and worth their place in every collection.

AMI SCHOTT. Double, deep cobalt-blue with paler reverses. Sold out for this spring.

ADELAIDE DUNBAR. Double, dark red. 12 to 18 inches \$1.25

ALEXANDER HAMILTON. Double, violet-lavender. 8 to 12 in. 1.00

BUFFON. Single, very lovely pink flowers. 12 to 18 inches 1.25

CHARLES SARGENT. Double, flowers mauve and blue. 12 to 18 inches 1.25

DIPLOMATE. Single, cobalt-blue, shaded mauve. Sold out for this spring.

DIDEROT. Single, claret-purple, in long clusters. Sold out for this spring.

DE MIRIBEL. Single, argyle-purple. 8 to 12 inches 1.00
12 to 18 inches 1.25

LILAC HYBRIDS, Continued

EDEN. Single, clear reddish-purple. Each
Sold out for this spring.

ETNA. Single, deep claret-purple.
Sold out for this spring.

E. H. WILSON. Cannot give color. Have not seen it in flower. 8 to 12 inches 1.00

ELLEN WILLMOTT. Double fine white flowers. 12 to 18 inches 1.00

FIRMAMENT. Single, large flowers, sky-blue. 8 to 12 inches 1.00

HUGO DE VRIES. Single, large dark purple. 8 to 12 inches 1.00

JEANNE D'ARC. Double, large pure white. 8 to 12 inches 1.00

LOUVOIS. Single, purple-violet. 8 to 12 inches 1.00
12 to 18 inches 1.25

MASSENA. Single, large florets, purple-red. Sold out for this spring.

MAURICE BARRES. Single, lovely azure-lilac. 8 to 12 inches 1.00

MAXIME CORNU MONS. Double, deep purple to laelia-pink. Sold out.

MAXIMOWICZ. Double, violet-heliotrope. 8 to 12 inches 1.00

MME. FELIX. Single, pure white. Sold out for this spring.

MRS. EDWARD HARDING. Double reddish-flowers. 8 to 12 inches 1.00

MRS. W. E. MARSHALL. Single. One of the very best lilacs. Flowers are purple-crimson. 8 to 12 inches 1.00
12 to 18 inches 1.25

MIRRELLE. Single, large snow-white. 12 to 18 inches 1.25

PEARL. Single, lovely white. Sold out for this spring.

PRES. LINCOLN. Single, clear blue. 12 to 18 inches 1.25
18 to 24 inches 1.50

PRODIGE. Single, deep purplish-red. 8 to 12 inches 1.00

RUHM VON HORSTENSTEIN. Single, purple. 8 to 12 inches50
12 to 18 inches 1.00
18 to 24 inches 1.25

SUNOL. Double, blue-lilac. Very fragrant. 12 to 18 inches 1.25

SOUV. DE HENRY SIMON. Single, argyle-purple, margined pink. 18 to 24 in. 1.50

THUNBERG. Double, pinkish-lilac overlaid purple. 8 to 12 inches 1.00

VESUVE. Single, very dark purple. 8 to 12 inches 1.00
12 to 18 inches 1.25

VICTOR LEMOINE. Double, azure-blue. 8 to 12 inches 1.00

SYRINGA EMODI. Buds pale yellow opening white. 18 to 24 inches 1.50

MAGNOLIA

GRANDIFLORA. Evergreen. Very large fragrant white flowers that bloom in summer. The foliage remains all winter and is glossy-green. 2-3 ft. plants \$2.00, 3-4 ft. plants \$3.50, 4-5 ft. plants \$5.00, 5-6 ft. plants \$7.50, 6-7 ft. plants \$10.00.

KOBUS. Tree of pyramidal shape. Flowers are white and produced in early spring. 1½-2 ft. plants \$1.50, 2-2½ ft. plants \$2.00, 2½-3 ft. plants \$3.00.

STELLATA ROSEA. A beautiful Magnolia with star shaped rose-pink blossoms. One of the sweetest Magnolias. 1½-2 ft. plants \$5.00, 2-2½ ft. plants \$6.00, 2½-3 ft. plants \$7.50.

GORDONIA ALATAMAHA. Also called Franklinia. Tree producing lovely satiny snow-white flowers, elaborately frilled and pleated. Very fragrant and it also blooms during the late summer. A very worthy plant. 2-3 ft. plants \$3.00.

OSMANTHUS

Evergreen shrubs or small trees.

AQUIFOLIA. Holly-like foliage with small, fragrant white flowers. Splendid as a hedge. 18 to 24 in. \$2.00

ARMATUS (Chinese Osmanthus). Leathery leaves and small, fragrant cream-colored flowers in autumn. 10-12 in. 1.50

SIPHONOSMANTHUS

Evergreen shrub. Synonym; Osmanthus.

DELAVAYI. Small evergreen shrub with small foliage. Flowers are very fragrant and white. A dainty little shrub. Blooms in the fall. 10 to 12 in. 1.75

BERBERIS

Evergreen shrubs.

CANDIDULA. A dwarf, evergreen barberry that is most attractive. 10-12 in. 1.00

JULIANAE. Evergreen barberry with yellow flowers and very brilliant foliage in fall. Grows 6 to 8 ft. 12 to 15 in.75
15 to 18 in. 1.25
18 to 24 in. 1.65
2 to 2½ ft. 2.25
3 to 4 ft. 4.00

TRIACANTHOPHORA (Threespine Evergreen Barberry). One of the best. Foliage narrow and pointed. Flower buds are pink, opening to yellowish-pink. This is a handsome barberry. 8-10 in. spread75
10-12 in. spread 1.00

VERRUCULOSA (Warty Barberry). Dwarf, evergreen, compact growth. Flowers are attractive, yellow. Lovely fall coloring of foliage. 12 to 15 in. 1.65
15 to 18 in. 2.00
18 to 24 in. 3.00

LEUCOTHOE POPULIFOLIA. An evergreen Leucothoe of strong growth, up to 12 ft. Graceful arching branches, and does very well in partial shade. 12 to 18 in. 1.00
18 to 24 in. 1.75

CEDRUS LIBANI (Cedar of Lebanon). Gorgeous evergreen tree. 12 to 18 in. 1.25
18 to 24 in. 1.75
24 to 30 in. 2.25

ABELIA

EDWARD GOUCHER. Rare. A beautiful new hybrid Abelia with rich lilac-pink flowers. Blooms profusely over a long season. Compact habit, and with foliage a deep rich color. (A new well tested Hardy Abelia introduced by U. S. Dept. of Agriculture, Bell Station, Glendale, Md.)

	Each	10	100

Field plants 11-12 in.		7.50	70.00	
Field plants 12-14 in.		17.50		

The items listed on this folder are only a few of the new and standard varieties we are growing. If you do not find what you want listed here, ask us about them.

ILEX—HOLLY

Kingsville A new introduction. Very dwarf Japanese Holly. This new plant is extremely compact and slow growing. Its hardiness excels all of the other Japanese Hollies. Ideal for rockeries, edging, Knott gardens and in all positions where very dwarf, compact plants are required. The hardiness of this dwarf, compact Jap. holly should prove of great value in northern gardens. Stock limited.

Dwarf

Jap. Holly

	Each
10 to 12 in. spread B&B	\$2.50
12 to 15 in. spread B&B	4.00
15 to 18 in. spread B&B	6.00

2 to 2½ ft. \$6.00

2½ to 3 ft. 8.00

3 to 3½ ft. 12.00

CASSINE MYRTIFOLIA. Very small leaf Holly. Branches are twiggy and dense. Berries small, bright red.

2½ to 3 ft. 7.50

3 to 3½ ft. 8.50

CORNUTA (Chinese Holly). Beautiful spiny foliage and bright red berries.

3½ to 4 ft. 10.00

CORNUTA BUFORDI. Very shiny bright green foliage which is most attractive. Berries are large and red.

12 to 18 in. 1.65

18 to 24 in. 2.50

OPACA CROONENBERG. A very heavy bearing form of American Holly, with bright red berries.

15 to 18 in. 1.25

4 to 5 ft. 8.00

OPACA TABER No. 3. Very handsome American Holly with very bright green foliage. The berries which are very bright red, usually remain on the plant for one year. One of the best.

15 to 18 in. 1.25

18 to 24 in. 1.75

OPACA XANTHOCARPA. The American Holly with golden yellow berries. Quite attractive.

4 to 5 ft. 8.00

5 to 6 ft. 10.00

VERTICILLATA POLYCARPA. A deciduous Holly with very large bright red berries. Does extremely well in moist position.

2 to 3 ft. 1.75

3 to 4 ft. 2.00

OSMAREA BURKWOODI. Cross of Phillyrea X Siphonosmanthus Delavayi. Evergreen shrub, with compact habit, and fragrant white flowers. Foliage dark glossy green. 15 to 18 in. 3.00

MERATIA PRAECOX. This shrub flowers during the winter. The flowers are yellow, and are very fragrant. It is commonly called "Wintersweet." Heavy branched plants about six feet, \$6.00 each.

CERCIS

CANADENSIS ALBA

Rare. White flowers of the American Redbud. This is without doubt, one of the handsomest of all flowering trees. It's habit is the same as the well known American Redbud, only the flowers are pure white. We offer a revision of sizes and prices as follows. (This is previously offered in our catalog).

	Each
18 to 24 in.	\$1.50
2 to 3 ft.	2.00
3 to 4 ft.	2.50
4 to 5 ft.	4.00
5 to 6 ft.	6.00
6 to 7 ft.	8.00
7 to 8 ft.	10.00

CORNUS—DOGWOOD

FLORIDUS SALICIFOLIA

Very Rare—Stock Limited

This Dogwood is very attractive with it's narrow leaves, which are only about one-quarter as wide as they are long. Turning a gorgeous color in fall. The growth is twiggy and dense. From our experience with this rare Dogwood, it is apparently going to be a much smaller tree than it's parent. Flowers white. A real gem.

	Each
18 to 24 in.	\$3.25
24 to 30 in.	4.50
30 to 36 in.	6.00

LONICERA—BUSH HONEYSUCKLE

MORROWI XANTHOCARPA. A yellow berried form of the well known Morrow's Honeysuckle. 3 to 4 ft. \$1.50

ACER RUBRUM COLUMNARE

Rare columnar form of the well known Red Maple. Beautiful in spring when new growth starts, and again handsome in fall when foliage turns a gorgeous red and bronzy-red. Rare. Stock limited.

2 to 3 ft.	\$3.00 each, \$27.50 per 10
3 to 4 ft.	3.50 each, 32.50 per 10

LOCATION

Kingsville is located 8 miles north of the city line on Belair Road, main highway between Baltimore and Philadelphia, U. S. Route No. 1.

To reach our nurseries, come to Kingsville, Md., on Belair Road, turn west into road adjoining Kingsville Inn, on north side, known as Gorsuch Road. Keep to right at fork on Gorsuch Road, at top of hill. Drive in on this road to KINGSVILLE NURSERIES.

Visitors to Kingsville Nurseries may combine a delightful drive thru Maryland's countryside and the interest and beauty of the many rare plants to be seen in our nurseries.

Plants Grown As Standards

Offer quite a novelty, and we have worked a stock of a few, which we are now able to offer. Previously in this list, we offered Chaenomeles, or Flowering Quinces in standard form. We can also offer now

VIBURNUM BURKWOODI

Standards \$1.50, \$2.00 and \$2.50 each
One and two year heads on these.

VIBURNUM CARLESI

Standards \$2.50, \$3.50, \$5.00 and \$7.50 each
Two and five year heads on these.

LONICERA SYRINGANTHA

A lovely weeping form of shrub with flowers resembling lilac florets, followed with red berries.

Standards, 1 yr. heads ... \$2.00 each
Standards, 3 yr. heads, ... 5.00 each

STYRAX OBASSIA (Fragrant Snowbell).

Showy white flowers followed by fragrant blue fruit. Grows to a handsome tree. We offer these additional sizes.

	Each
4 to 5 ft.	\$3.00
5 to 6 ft.	4.00
6 to 7 ft.	5.00

ELEAGNUS MULTIFLORA (Russian Olives).

Deciduous shrub to small tree. Gray foliage with colored berries in fall make it very attractive. Birds love the fruit of this plant.

18 to 24 in.	\$0.75
5 to 6 ft.	2.00
6 to 8 ft.	3.00

LEPTODERMIS OBLONGA. A very handsome little shrub which is ideal for the rockery. Will grow possibly 2-3 feet. Stands a lot of shearing, which makes it very compact. The flowers are somewhat like the floret of a lilac, and the color of the flower is lilac. The plant starts blooming about the late spring to early summer in great quantities of small flowers.

6 to 8 in.60
12 to 15 in.	1.75
15 to 18 in.	2.25

We had hopes that for 1943 we could assemble a catalog listing practically all of the many rare plants we are growing, and also list our complete collection of Lilacs, numbering about 200 varieties, Philadelphus number some 50 varieties, Viburnums number some 50 varieties, our complete collection of Hollies which now totals about 55 varieties, and many others. Due to conditions this will have to be passed up for this season.

Inquiries are always welcomed and we gladly quote on any items of plants that we can supply. If you will write us what you are looking for, it may be that we have it and can help you.
